# Bierton Bulletin

Dear Parents and Carers,

I find it hard to believe that this is my last newsletter of the 2016-2017 school year. It has been such a good year at Starbank and we are proud of all our achievements at Bierton Road site.

The children have enjoyed many educational visits and specialist work shops in school. As a school we have noticed how expensive coaches and places to visit have become and we have had to ask for an increased contribution from parents. Thank you for supporting us and helping us to make these visit happen. All our visits and workshops support and enhance our curriculum. Thank you also for helping us by sending your children to school in the correct uniform and school shoes. Visitors have commented on how smart our pupils look and I will be continuing to request correct uniform in September. We still have to work on attendance however I am confident that in partnership we can reduce the number of lates and long term absence.

As in many schools we are saying good bye to some of our staff and we wish them a happy summer and good luck in all their new adventures. We also welcome new members of staff and I look forward to them becoming part of the Bierton Road family. I have included some good luck and welcome messages in this newsletter.

I am sure we will all enjoy this final week and I want to wish you all a very happy summer holiday with your children and families. It has been a pleasure to spend so much time with your children and you. I am definitely going to spend time with my husband, young adults and grandchildren over the coming weeks!

Kind Regards

Mrs Portlock

Ms Younis and Ms Zafar are leaving us and we wish them well in their new adventures.

### Stay safe over the Summer

- **If the weather is very hot remember to drink lots of water and wear sun lotion.**
- **Stay away from streams, rivers and lakes—they may look inviting in hot weather but they are very dangerous.**
- **Let an adult know what you are doing on line and remember be SMART.**
