All About Class 1G

2020-2021

Our Classroom

These are some of the things we will learn about in our class...

We will be exploring a wide range of interesting stories, discovering about animals and plants around us, looking at our local area, finding out about British history, improving our bodies through exercise and diet, discovering how things are made and getting involved in a wide range of art forms.

We will also learn about each other, how to respect and care for one another and grow as individuals. We will learn how to become more independent and confident in our abilities.

Things that will help us work well in class...

Two teachers who are dedicated to the well-being and development of the children in their class.

A fun and safe environment aimed to bring the very best out of the children.

A range of excellent resources and lessons to spark the imagination and creativity of the children.

Every day I need to bring with me:

- ★ My book bag
- ★ A water bottle
- ★ A can do attitude!

Lunchtime:

Every day I will have my dinner at school or I might bring a packed lunch from home.
