I am your Teacher. My Name is Ms Malik.

I am really excited to welcome you into the world of Year 6. It's going to be a really fun year where we are going to learn about lots of new topics which I know you will enjoy thoroughly. Let me tell you a little about myself:

I love travelling and have been to lots of places. My favourite place has to be the Far East especially Bali. I loved how the country is tranquil and spiritual. It is full of nature and there are so many beautiful places to visit within the country. Everybody is so kind and welcoming.

Vietnam is my next place that I would love to visit; I am hoping once things get back to normal that I can do this. I love to go away every holiday in the UK.

I love being a teacher and have been teaching for nearly 20 years at Starbank, I love every moment of what I do. I like to share my energy and passion that I have for learning with my pupils. I do have very high expectations but I know that you are all very capable of achieving if you set your mind to your work. I strongly believe that we can all do well, we have to reach for the stars because the sky is the limit.

My favourite subject has to be Maths, I enjoy solving problems and finding different ways of approaching questions.

I am so excited to be working with you next year because I know that you have all worked really well in Year 5 and are ready to come into Year 6. In my spare time, I have started to read novels. At the moment, my favourite author is Lucinda Riley and I am reading one of her series of books- The Shadow Sisters.

2020-2021

I am your Teaching Assistant: My Name is Mrs Akhtar.

Things I Like:

- ★ I've visited Morocco – I liked being relaxed and all the lovely scenery.
- ★ the problem solving element.
- ★ Women. I do love the Enid Blyton 'Naughtiest girl' range, too.
- ★ I love coming into school every day and starting fresh. I especially like reading 1:1 with my pupils.
- ★ I am a very organised person (which is helpful for Miss Kershaw!)
- ★ I am looking forward to meeting all the new children and seeing you grow and develop.

Our Classroom

These are some of the things we will learn about in our class...

For our English, we will be looking at lots of different novels based on different themes. We will use these for our reading and writing sessions.

You will get the opportunity to write different genres thinking about the purpose and your audience.

We will learn all sorts of history, geography and scientific concepts throughout the year.

Things that will help us work well in class...

- During lessons, it is important we are paying attention to the teacher at all times.
 - Avoid getting distracted.
 - Ask for help if you are struggling.
 - Have the confidence to put your hands up to answer questions, it does not matter if you get the answer wrong. We are in school to learn.
 - Being mindful towards each other and our peers' feelings.
 - Respecting our environment and people so it will help us to work in calmness to make learning fun and enjoyable.
 - Try your best in all that you do and persevere if things get tough- don't give up easily.
-

Every day I need to bring with me:

- ★ My book bag with reading book and reading journal.
 - ★ A water bottle
-

Lunchtime:

Every day I will have my dinner at school or I might bring a packed lunch from home.
