## I am your Teacher. My Name is Mrs.Parveen

### Things I like:

- ★ I like visiting different countries, my favourite place I travelled to was Bali, I sat on a huge swing called the Bali swing and it was so much fun.
- ★ The subjects I like most are PE because I love playing as part of a team in team games. My favourite sports are cricket and football. So, you might see me getting involved at break times.
- ★ My favourite author is Jaqueline Wilson and my favourite book is the story of Tracy Beaker. Mostly because I loved watching it on tv when I was growing up.
- ★ Next year I am looking forward to teaching in year 4 and helping you build on your skills.

## I am your Teaching Assistant: My Name is Mr Lunt

### Things I Like:

- Places I have visited/would like to visit - I've been to Ireland, Thailand, Italy and a few other places. I'd love to visit America and Japan!
- The subjects I like most - My favourite subject is definitely English! I love writing, and when I'm not at school I write poetry and perform it on stage.
- My favourite author and book - I don't have a favourite author or book, there's just too many good ones to choose from!
- What I enjoy about being a teacher - I used to work a very boring and miserable job where I never got to have any fun or do anything interesting. Now, I get to spend every day with great people learning new fascinating things, and every day is different!
- What I am looking forward to next year - I'm really looking forward to getting to know a whole new group of people, working on new projects, and helping you all do your very best in Year 4.

## Our Classroom

These are some of the things we will learn about in our class:

- Number and Place value, Fractions, Statistics and Geometry.
- We will study and read a range of novels such as: The Firework maker's daughter, The Iron man, The lion the Witch and the Wardrobe and the Street Child.
- Team games such as football, cricket, athletics, and rounders.
- Music
- Spanish

These are some of the things that will help us work well in class:

Following the class rules.

Focusing on yourself and working collaboratively to reach your goals and targets.

Always listening when the teacher and teaching assistant are explaining the tasks and learning steps.

Always try your best and produce quality pieces of work that showcase your skills.
