## 2020-2021

### Our Classroom

These are some of the things we will learn about in our class...

We read lots of interesting books from different time periods and from all over the world! We will learn about different countries, continents and compare them to where we live. You will love maths and become true math magicians and excellent problem solvers. You will gain confidence in sharing your ideas and listening and understanding each other. You will have the opportunity to express yourselves in Art, DT and Music and of course, you will enjoy PE! Senora Morell is excited to work with you in Spanish and take to the next level!

Things that will help us work well in class...

Listening to each other, respecting each other's opinions and always trying your best. Bring your positive, determined outlook and your love for learning.

### Every day I need to bring with me:

- ★ My book bag
- ★ A water bottle

---

### Lunchtime:

Every day I will have my dinner at school or I might bring a packed lunch from home.
