Our Classroom

These are some of the things we will learn about in our class....

This year you will continue to develop your reading, writing and maths skills. You will also be jumping into our time machine to learn about history. Using maps to find your way around our geography topics and becoming scientists as we carry out some exciting experiments. We will all get moving together during P.E and we'll try not to get too messy during our art and technology lessons.

Things that will help us work well in class...

1EF are a team who will learn best by:

- Working together and helping each other
- Being kind and considerate
- Demonstrating good looking, listening and sitting
- Always trying our best
- Following the class rules.

Every day I need to bring with me:

- ★ My book bag
- ★ A water bottle
- ★ A smile
- ★ A good attitude to learning

Lunchtime:

Every day I will have my dinner at school or I might bring a packed lunch from home.
