### Things I like:

#### ★ Places I have visited/would like to visit

I love travelling and have been to lots of different countries such as America, Italy, Greece and Mauritius. I enjoy finding out about different cultures and trying lots of delicious foods whilst I'm travelling! The next place I'd like to visit is Australia.

#### ★ The subjects I like most

My favourite subject is History. I love finding out about the past and how people used to live a long time ago. I really enjoy teaching languages so I'm looking forward to learning Spanish with you.

#### ★ My favourite author and book

My favourite author is Roald Dahl, but it's difficult to choose just one of his books as my favourite! I read all of his books when I was little and loved them all for different reasons. I love how descriptively he writes and the exciting adventures his characters go on.

#### ★ What I enjoy about being a teacher

The best thing about being a teacher is helping the children in your class learn and discover new and exciting things.

#### ★ What I am looking forward to next year

I'm looking forward to getting to know all of you and I can't wait to start all of our exciting topics in September!

I am your teacher on Thursday and Friday. My name is Mrs Javed 😊

- **What I enjoy about being a teacher:** I enjoy seeing children become confident as they learn and explore more. The best feeling for a teacher is when you have made a real change! I love seeing my class come in with smiles early in the morning; it's such a wonderful feeling.
