## Our Classroom

These are some of the things we will learn about in our class...

We will be studying a well-known Shakespearian play, take a walk through British history during the period of World War 2 and cover many other fascinating topics.

You will be introduced to Algebra and build up on a lot of skills you've learnt throughout ks2.

Things that will help us work well in class...

Mutual respect is vital and something that is promised as well as expected throughout the year.
