

All About Class 1P 2021-2022

Starbank School

I am your Teacher. My Name is Miss Pearce

Things I like:

- 🌀 I love to travel and I am lucky to have had opportunity to travel to many countries. My favourite places are Italy (especially Venice) and India!
- 🌀 At school I love to teach Art. It is my very favourite subject! I also love teaching Phonics. I look forward to teaching both of these subjects in Year 1.
- 🌀 My favourite children's author is Sue Hendra and Supertato is my favourite children's book of all time! "Supertato to the rescue!"
- 🌀 I love being a teacher as there is nothing more rewarding than helping children learn.
- 🌀 I really look forward to moving from Reception into Year 1 with the children! It was a privilege to teach them in Reception so I am lucky to continue working with them for an extra year! I look forward to seeing them mature from the tiny 4 year olds they were when I met them, to the grown up 6 year olds they will be when they finish Year 1!

I am your Teaching Assistant: My Name is Mrs Ryan

- 🌀 I have been to New York and it was very exciting. The buildings are so tall they go right up to the sky. I travelled on a boat taxi to see a famous statue called The statue of Liberty. I have been to quite a lot of places in England but I haven't been to York yet. This is a city with lots of old buildings. Hopefully, I will go soon.
- 🌀 I love reading fiction because I imagine the characters coming to life and I try to guess what might happen next. When I was a little girl, I read lots of books written by Enid Blyton. Some of her stories are about children who have adventures in magical, fairyland places. Another author that I think writes great funny stories is Julia Donaldson. Stick Man and The Gruffalo are my favourites.
- 🌀 I enjoy my job as a teaching assistant as I like to help children to learn and I learn new things every day as well.
- 🌀 I'm looking forward to getting to know all the class and finding out all about them. Also, I can't wait to find out about the topics. I want to read stories to the class and play games with everybody.

Starbank School

Our Classroom

These are some of the things we will learn about in our class....

- We will explore many stories in English to help us learn to read and write. I know you will love the books we have planned.
- We will discover the landmarks in our local area through Geography lessons and we will build our own houses in DT!
- We will learn about artists. Through Art lessons we will discover some famous artists and make work inspired by them.
- We will learn about numbers and Maths. We will build on what we learnt in reception to become maths experts!

Things that will help us work well in class...

- Doing your best listening at all times
- Following the class rules
- Participating in class discussions and taking part all in activities
- Doing your homework and practising at home

Every day I need to bring with me:

- ☉ My book bag
- ☉ A water bottle
- ☉ A smile!

Lunchtime:

Every day you will have a cooked dinner at school (or you can bring a packed lunch from home if you prefer).
