- ☉ I am really looking forward to our new topics this year, they look very exciting.

Our Classroom

These are some of the things we will learn about in our class...Colour shape and texture, how to make wind-up toys, the lives of people in other countries, the Romans, electricity and much much more!

Things that will help us work well in class are ...Listening carefully, trying your best, always having a go and of course being polite and kind to everyone

Every day I need to bring with me:

- ☉ My book bag
- ☉ A water bottle
- ☉ My reading book

Lunchtime:

Every day I will have my dinner at school or I might bring a packed lunch from home
