

All About Class 2J 2021-2022

Starbank School

I am your Teacher. My Name is Mrs Javed.

The subjects I like most are Maths and Art. I love the creative aspect of Art and enjoy solving a range of problems in maths. Reasoning can be so much fun, once you have understood a concept.

Guess how much I love you by Sam McBratney- has got to be my favourite book! This book is amazing; I love reading it with my son Rayan.

I enjoy seeing children become confident as they learn and explore more. The best feeling for a teacher is when you have made a real change! I love seeing my class come in with smiles early in the morning; it's such a wonderful feeling.

Next year, I am excited to have you all in 2J! It is going to be a great year!

I have been to Morocco, Maldives and Cyprus. I would love to visit Egypt and Greece soon as I have heard amazing things about the views there.
