Hello. My name is Ms Bibi. I am looking forward to be working with you in September. What I enjoy about school is working hard and always doing my best. I also enjoy reading. My favourite story books are written by, Julia Donaldson.

Places I have visited are Pakistan, Morocco and Saudi Arabia. What places have you visited? I hope you have many exciting stories for me.

I hope to make your welcome in your new class very fun and exciting. We will work together to set targets which you can achieve. I will be supporting your learning to make sure it is clear and you don't find it too difficult. I have experience with working with children all across school so I am sure we will have a great time together and I can work to help make you an independent and a confident learner.

We will work together to follow the rules of the class. We must respect all adults and teachers all the time. In school we work as a team and make good friends who will help you learn and be a good kind responsible person.

I will look forward to meeting you in September.
