Our Classroom

We know that the school will be a safe, fun place to be when you return in September. Your classroom will look a little bit different, but do not worry- your teacher and your teaching assistant will explain it all to you. You will have your place at a desk and your tray and the classroom routines will be very similar.

These are some of the things we will learn about in our class....

In year 3, we will have to work incredibly smart, but we will also have lots of fun. We will be developing our skills and deepening our understanding in reading, writing, mathematics, science and many other subjects. As well as building new knowledge, learning new skills, we will be developing our creativity.

Things that will help us work well in class...

The expectations being set for you are high. You will need to:

- 🌀 be on time and well-rested, willing to do your best
- 🌀 read as often as you possibly can
- 🌀 complete your homework
- 🌀 be responsible for your learning and develop a thirst for knowledge
- 🌀 dedicate time for daily revision
- 🌀 develop positive thinking habits and positive relationships with peers and adults
- 🌀 outstanding behaviour is expected at all times

Everyday you will need to bring with you :

- 🌀 Your book bag (named)
- 🌀 Your water bottle (named)
- 🌀 Your home-reading diary (named)

Lunchtime:

Every day you will have your dinner at school or I might bring a packed lunch from home

You will play on the KS2 playground.
