Starbank School

I am your teacher. My name is Mrs Clarke. I will be teaching you Wednesday – Friday.

Things I like:

- ☸ I love to travel and visit lots of new and exciting places. I enjoy finding out about different cultures and trying lots of delicious foods whilst I'm travelling!
- ☸ My favourite subject is History. I enjoy finding out about the past and how people lived a long time ago. I also really enjoy teaching languages.
- ☸ My favourite author is Roald Dahl, but it's difficult to choose just one of his books as my favourite. I read all of his books when I was little and loved all of them for different reasons. I love how descriptively he writes and the exciting adventures his characters go on.
- ☸ My favourite thing about being a teacher is helping children learn new and exciting things.
- ☸ I'm looking forward to getting to know all of you and I can't wait to start all of our exciting topics in September!

Our Classroom

This year, some of the things we will be learning about are:

- ☸ Harry Potter and The Philosopher's Stone and The Highwayman in English
- ☸ Place value, the four operations, and fractions, decimals and percentages in Maths
- ☸ Earth and Space, The Romans and Rivers in Topic

All About Class 5CM 2021-2022

Things that will help us work well in class are:

- ☉ Being respectful to one another
- ☉ Using polite manners
- ☉ Listening to one another
- ☉ Respecting the classroom environment
- ☉ Looking after one another
- ☉ Being organised and ready for learning at all times

Every day I need to bring with me:

- ☉ My book bag
- ☉ A water bottle
- ☉ A healthy snack
- ☉ Eagerness to learn
- ☉ A smile!

Lunchtime:

Every day I will have my dinner at school or I might bring a packed lunch from home.

I am your Teaching Assistant. My name is Mrs Khan.

Things I like:

- ☉ I love to travel and visit different countries and places. I enjoy seeing all the incredible landmarks and learning about the different cultures whilst I am travelling.
- ☉ My favourite subject is Maths. I enjoy having to use a method to figure out the answer to the problem or question. It is also very useful and applicable skill for our day to day lives.
- ☉ My favourite author is Charles Dickens. It is hard to pick just one of his books that is my favourite, but I do love Oliver Twist. I think this might be because it was my end of year play in year 6. I love how his writing was more than just about description, but about the truths of the real world.
- ☉ My favourite thing about being a teacher is watching children progress whilst learning new things.
- ☉ I am looking forward to having a whole different class in Year 5 and getting to know each of you!
