

# All About

## Class 5G

### 2021-2022

Starbank School

## I am your Teacher. My Name is

### Mrs. Ghawri

#### Things I like:

- I enjoy travelling and exploring new places! I believe life is all about creating beautiful memories and wonderful adventures. One of my favourite places to visit has been Disneyland Paris!
- I enjoy all subjects especially English as I love creative writing and Art where I can go wild with my imagination!
- My favourite author has to be Jacqueline Wilson. I loved reading all of her books as they were so relatable to me when I was growing up.
- My hobbies are cooking and baking! I love cooking for my family and friends and spending time with them.
- For next year I am looking forward to getting to know you all a little better. I know we will have a wonderful time learning together.

### Our Classroom

These are some of the things we will learn about in our class... Earth and Space - you can spend some of the holidays learning fun facts about the planets to share with the rest of the class. We will also be reading Harry Potter and the Philosopher's Stone. Do not forget to bring in your Hogwarts Express Tickets!

Things that will help us work well in class are...

- To respect all those around us - this includes showing respect for our classroom.
- Following rules and setting fantastic examples as role models
- Sharing and working well together as a team - we will always support each other.
- Being kind and understanding of each individual and our personal differences
- Last but not least - to smile and enjoy every moment!
