

All About Class 6HU

2021-2022

I am your Teacher. My Name is Mr Hussain.

Things I like:

- ★ A place I would love to visit is Australia – it's great for wildlife, weather is always nice and they're exceptionally good at cricket.
- ★ The subjects I like most are Art, Design Technology, Maths and P.E.
- ★ My favourite author is Philip Pullman – he is an amazing author who captures your imagination and the characters he writes about leaves a lasting impression on you. My favourite books are His Dark Materials and Lord of the Rings.
- ★ The best thing about teaching is inspiring children to aspire to be the best versions of themselves and teaching them that anything is possible with hard-work and determination.
- ★ Next year, I am looking forward to meeting my new class and working together with each other to ensure the best outcomes for everyone.
