

All About Class 6SK 2021-2022

Starbank School

I am your Teacher.

My Name is Miss Kershaw

Things I like:

- 🌀 I went to Australia and swam in the Great Barrier Reef with sea turtles! I would love to go to Argentina and Italy... maybe one day!
- 🌀 I like all subjects but I really enjoy English and PE. I love to read and I used to play hockey when I was younger.
- 🌀 I grew up loving Harry Potter. I have read them all over and over and over again.
- 🌀 I enjoy teaching you! I love coming into class and working with you all, hearing your stories and watching you become confident young adults.
- 🌀 Next year I am looking forward to moving classrooms... 😊

Our Classroom

Over the year we will focus on all sorts of different areas of learning. We will explore WW2 in depth in the Autumn term. Later in the year we will learn about South America and the rainforest. We will learn skills in collage and sculpture with clay as well developing our sporting prowess in athletics, gymnastics and more!

Lunchtime:

Every day I will have my dinner at school or I might bring a packed lunch from home
