### Our Classroom

These are some of the things we will learn about in our class: World War Two, Light and Shadows, The ancient Mayans, South America, Animals and their habitats and so much more! You will love the novels

Things that will help us work well in class is being kind, helpful and respectful to all. Trying our best at all times is key, but we also make sure we look after one another, listen to each other and are a good friend to all.
