

All About Class RM 2021-2022

Starbank School

I am your Teacher. My Name is Miss Mintah

Things I like:

- ☼ I have lived in Ghana and would love to visit Morocco.
- ☼ I like a lot of subjects, especially English and Art. I love to paint in my free time.
- ☼ I really enjoy reading. My favourite book is Matilda by Roald Dahl and it is also my favourite film.
- ☼ What I enjoy about being a teacher is seeing children excited about learning something new and seeing them grow in confidence.

I am looking forward to getting to know my new class and having a fun year full of great experiences.

Our Classroom

These are some of the things we will learn about in our class:

- ☼ The world around us, including seasons and outer space!
- ☼ Traditional tales and fairy tales!
- ☼ Celebrations!
- ☼ Dinosaurs!

We will also learn Phonics, Maths and Literacy every day. By the end of Reception, you will be able to read and write sentences, and solve lots of mathematical problems!

All About Class RM 2021-2022

Starbank School

This is what our learning environment looks like...

Things that will help us work well in class...

- Listening to each other.
- Sharing our ideas.
- Keeping our classroom tidy.
- We need to follow the schools rules and expectations.
- Attend school every day and be on time.
- Always work hard and try our very best in everything that we do.

Every day I need to bring with me:

- ☉ My book bag
- ☉ A water bottle
- ☉ A waterproof coat

It is useful to keep a spare change of clothes (including underwear) in your P.E bag as well; just in case of an accident.

Lunchtime:

Every day I will have my dinner at school or I might bring a packed lunch from home.

Some things you can do at home to prepare for having lunch at school:

- Eat a range of healthy foods and talk about the importance of a healthy diet with your grown-ups.
- Eat hot meals using a knife and fork.
