2020-2021

## My Name is Mrs Perry

I am looking forward to working with you next year , I help the children with special educational needs across the school.

All about me:

- I love going on holiday to Cornwall, I love the beautiful beaches and coast.
- I love art and being creative. I also enjoy poetry.
- I really like cats so one of my favourite authors is Judith Kerr who wrote the Mog Stories. I like her story the Tiger who Came to Tea. I enjoyed going to the theatre with Reception to watch it.
- I really enjoy being a SENCO and helping children overcome the barriers to learning.
