

Starbank School

September 2018

Dear Parents/Carers,

Re: Student Attendance

Please find enclosed with this letter an information sheet outlining the legal situation with regards to student attendance as set out by Birmingham City Council Starbank's rate of attendance is above 96% and for the vast majority of students and their parents the detail contained in the information sheet will be of no concern.

All parents however must be aware that this is the framework under which the school must operate and in particular I would draw your attention to the points raised with regards to punctuality, reminding all parents that school starts in the morning for all students at 8.40am. However, our doors are open to all students from 8:25 onwards.

Yours sincerely,
Mrs S Dosanjh
