

Year 11 Saturday School Intervention

Dear Parents and Carers,

Thanks for your ongoing support with your child and their GCSEs. At Starbank we want to ensure your child gets the best results in their GCSEs and want to work with you and your child to make this happen.

This is particularly important this year as we want to make sure we catch-up on the lost learning because of the Covid 19 pandemic.

We are providing weekly Saturday intervention at Starbank from 10am to 2:30pm. These sessions start from Saturday 6th November to Saturday 11th December.

These sessions are being delivered by a company called “Impress the Examiner”. This company uses teachers from some of the best schools in the country. It has proven results in raising outcomes in both maths and English.

Many of the top performing schools in the country use “Impress the Examiner” and we are confident your child will greatly improve by attending each Saturday.

We appreciate this is an additional commitment of time, however, we know this will help your child to improve their GCSE grades.

There is an expectation that your child will attend every Saturday.

Your child will be provided with lunch.

If there is an important reason why your child will not attend every Saturday, we ask that you please inform the Head of Year (Mr Maqsood).

Thank you for your support in ensuring that your child makes the most of this invaluable opportunity.

Yours faithfully,

Mr P.Horner

Senior Vice Principal
