

Class Charts

Dear Parent/Carer,

From 15th November, we will be using a new monitoring system called Class Charts.

Class Charts will allow you to see the following data for child in real time:

- 🔒 Achievement points
- 🔒 Behaviour points
- 🔒 Detentions (including previous detentions set and attendance at detentions)
- 🔒 Student targets and predicted grades for the previous half term
- 🔒 Announcements from school

The 'announcement feature' on Class Charts enables you to receive any other updates from school and will eventually replace email and text communication.

To enable a smooth transition to this new system, please set up your account as soon as possible. The account can be set up on the phone app or on the computer.

1. Open www.classcharts.com/parent/login or download ClassCharts Parents in your phone App Store
2. Enter your email address
3. Choose 'I don't have an account yet'
4. Enter your parent access code and name
5. Choose a password
6. Click Log-in!

Please be aware that all future communication regarding detentions will take place through Classcharts.

If you have any issues logging in or require any support, please do let us know.

Thanks and regards,

Stuart Tonks
Vice Principal
