You could practise your spellings by:

- Rainbow writing – write the words in different colours
- Look cover write check – look at each word then cover it up and try to remember the spelling
- Read and repeat – read each word out loud then repeat it reading out how it is spelt
- Family help – get a grown up or older sibling to test you on a couple of words each day
- Sticky note fun – stick the words up around the house, try to remember where each word was and what it looked like
