### Activity 1:

- Use a dictionary for each word.
- Make sure you understand which word to use for the context of your sentence.

### Activity 2:

- Write a sentence for each word. Make sure the word fits the context/meaning of your sentence.

### Activity 3:

- Have a go at creating a word search using each word.

### Activity 4:

- Ask a member of your family to test you spell each word. Keep going until you score 12/12!
