

Starbank Primary Weekly Online Curriculum

Y6 Summer Term

Week Beg: WEEK 4	English Topic: SPaG ACTIVITIES WEEK	Maths Topic: Problem solving	Non-core Topic YEAR BOOK-COMPUTING We are publishers	COMPUTING
<p>Remember – physical activity is important! Joe Wicks link: https://www.youtube.com/playlist?list=PLyCLOpd4VxBvQafyve889qVcPxYEjdSTI</p>				
	Session 1: English Task	Session 2: Maths Task	Session 3: Topic Task	Session 4: Task
Monday	<p>Follow the activities on the following PowerPoint.</p> <p>https://app.pobble.com/lessons/preview/39a01b3d</p>	<p>For year 6 we will now be applying the skills we have learnt throughout the year to complete a range of investigations and problems.</p> <p>This week we will be solving some</p>	<p>CONTENT This week you will be creating a yearbook of all your memories from Primary school. This yearbook will include information, images, pictures and anything you want to add to cherish your memories. There will be two different programmes you can use: PowerPoint Publisher</p> <p>Look at the examples of yearbooks (see resources)</p> <p>Think about the sections you would like to include and note these down. You choose! Introduction (be creative) Fun facts about your class Special moments Crazy quotes from pupils</p>	<p>This week you will be undertaking a computer aided-design project (CAD). You will follow a range of tutorials before applying all that you have learnt to create your own structure.</p> <p>Today, you will need to register for the application Sketchup – you may need parental support/supervision for this. This is a browser-based version of the software, so no downloads are necessary.</p> <p>Sketchup https://www.sketchup.com/ You can use your school email account to register. If you are having trouble logging in, please contact your teacher or mention it during the weekly phone calls.</p>

		<p>murder mysteries!</p> <p>Teacher Mystery: Use the clues on the sheet to solve clue 1 and 2</p>	<p>Memories of trips throughout primary school What have you learnt about yourself? Favourite bits Where do you see yourself in 20 years! Include pictures if you have any</p> <p>Decide which software you would like to use. Have a go at using both and see which you prefer.</p>	
Tuesday	<p>Fronted adverbials</p> <p>https://www.bbc.co.uk/bitesize/topics/zwwp8mn/articles/zp937p3</p> <p>Can you write your own sentences using adverbials for time, place and manner?</p> <p>Alternative paper pack activity provided.</p>	<p>For year 6 we will now be applying the skills we have learnt throughout the year to complete a range of investigations and problems.</p> <p>This week we will be solving some</p>	<p>PLAN and STRUCTURE Start thinking about the design of your yearbook once you have chosen your software.</p> <p>Things to consider: Audience Simplicity Text font Images Various writing formats and styles</p> <p>Maybe draft some ideas first creating a paper booklet before you start using your chosen software.</p> <p>LOOK AT THE EXAMPLE TEMPLATE FOR IDEAS (SEE RESOURCES)</p>	<p>Follow the below link to a tutorial on the basic controls within Sketchup.</p> <p>https://www.youtube.com/watch?v=I_bJPNnO3HQ</p> <p>You need to be able to use the follow tools well: line, push/pull, rectangle and identify which axis you are drawing on.</p>

		<p>murder mysteries!</p> <p>Teacher Mystery: Use the clues on the sheet to solve clue 3 and 4</p>		
<p>Wednesday</p>	<p>Follow the activities on the following PowerPoint. https://app.pobble.com/lessons/preview/a53dc43a</p>	<p>For year 6 we will now be applying the skills we have learnt throughout the year to complete a range of investigations and problems.</p> <p>This week we will be solving some</p>	<p>START CREATING!</p> <p>Publisher- if you are using publisher then you can use the resource sheet to help you to create a yearbook SEE VIDEO CLIP - PUBLISHER GETTING STARTED (SEE RESOURCES) (SEE PUBLISHER RESOURCE SHEET)</p> <p>PowerPoint- most of you are very familiar with this. Choose your design (SEE POWERPOINT RESOURCE SHEET)</p> <p>Remember: Keep it creative Use various colours if you wish You could use various fonts Think carefully about text size Headings Subheadings</p>	<p>Follow the below link to a tutorial that teaches you how to build and decorate a house.</p> <p>https://www.youtube.com/watch?v=sQSyofKyKIQ</p> <p>Once completed, you can add a garden and use the 3D warehouse to import pre-made objects into your house.</p>

murder mysteries!

Killer Cook:

Use the clues on the sheet to solve clue 1 and 2

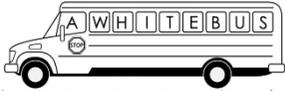

Thursday

Subordinating conjunctions

<https://www.youtube.com/watch?v=FK2Gyto5gTQ>

1. See subordinating conjunction worksheet.
2. On whatever theme you wish, use 6 of the following conjunctions in a sentence. Can you vary the position of the conjunction?

Subordinating Conjunctions

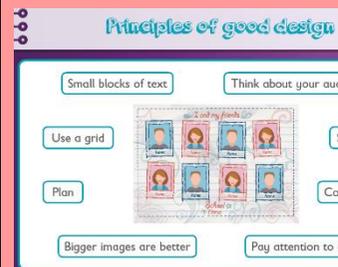

A	WH	I	T	E	B	U	S
although	whenever	if	though	even	because	until	since
as	when	in case	fill	though	before	unless	
after	whenever	in order	that	even if			
	whereas	that					
	whether						
	which						

For year 6 we will now be applying the skills we have learnt throughout the year to complete a range of investigations and problems.

This week we will be solving some

This will take you more than one lesson
Start creating and designing your memory book using your software.

(SEE PRINCIPLES OF A GOOD DESIGN RESOURCE SHEET)

Task 1:
Google/Bing bird houses and identify the different 2D shapes that make up the 3D product.

Which tools do you need to use in Sketchup?
How big are big houses?
Are you going to make it to scale?

Task 2:
In Sketchup, create your chosen bird house. Once completed, download to your computer, attach, and email your finished work to your teacher.

		<p>murder mysteries!</p> <p>Killer Cook:</p> <p>Use the clues on the sheet to solve clue 3 and 4</p>		
Friday	<p>Reading day! Spend some time reading a book.</p> <p>What do you enjoy about it? What 'hooks' you? Can you explain why you enjoy it to someone in your family?</p>	<p>Complete the MathsWatch work that has been set for you.</p>	<p>Share your memory book with your family and email it to your teachers and school friends!</p> <p>Make it a real celebration and share!</p>
